St John the Evangelist Sports Premium Report September 2023-July 2024

This academic year has been a more normal one with coaches and participation in additional PE events and this is allowed the children to have many more physical opportunities.

Impact of Funding – 2023/24

The school received **£**17,210 of Sports Premium Funding in 2023-2024

Spend of the fund included the following:

- Membership/affiliation with West Berkshire School Sports Partnership
- Access to Create Development On-line materials
- Cover for teachers to attend sporting events
- Resources for P.E. teaching
- Professional development for staff with outside trainers coming in to share skills with staff
- External coaches to further develop staff expertise and enhance provision

Our Aims for 23/24 were as follows:

- To participate more widely in sporting competitions/ additional opportunities within school day
- To improve the quality of P.E. in the school
- To maintain the high level of participation in sporting activities.

The impact of these aims is laid out below:

To participate more widely in sporting competitions/ additional opportunities within school day

- Teams of Year 2 children participated in a variety of Sports festivals with other local schools co-ordinated by the sports partnership– including cricket, football, multi skills
- Balance bikes purchased previously using Sports Premium funds are used with groups of reception children weekly throughout the year

To improve the quality of P.E. in the school/ To maintain the high level of participation in sporting activities.

- Every child in the school has had a ½ term block of dance teaching from a qualified dance teacher. This encourages more children to take part in dance outside school and also to take part in KS1 before school dance. Staff development is also a focus and skills developed are used in other PE provision
- All KS1 children in the school has at least ½ term block of coaching from an external provider which is age appropriate and builds on the skills the children have been exploring in PE lessons. This also provides and additional opportunity for staff to enhance their skills and explore other ways of developing the children's physical skills.
- All children across the school have also worked during the year in PE sessions with an external coach, this is had a wide range of PE foci, staff have worked alongside to develop subject knowledge, use of equipment and these sessions have allowed the children to build and develop their skills.
- Year 2 have had a ½ term block from a gym coach who also works at St Nics to develop a relationship, build skills and CPD for staff. This may encourage greater participation in gym club at school/out of school
- The new wall bars etc which were purchased using sports premium funds 2020 2021 have continued to further enhanced quality of PE with all children having access to them during PE lessons and through staff working alongside coaches in PE lessons and staff more confident about their use and skill development
- Keys Stage sports days to increase children's ability to work as part of a team, explore a range of activities, parents invited to watch
- Little Musketeers coach worked with KS1 classes for a taster day
- Scooter Day for all KS1 children

Report:

Mr Harvey and the Governors along with the PE co-ordinator Mrs Sneddon, wish this grant to be as effective as possible in supporting children in their current and long term physical, health and mental wellbeing. Much of the work that St Johns enters into is as part of the West Berkshire School Sport Network (WBSSN), Create Development and external coaches.

There are 6 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

2. The profile of PE and sport is raised across the school as a tool for whole-school improvement;

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;

4. Broader experience of a range of sports and activities offered to all pupils;

5. Increased participation in competitive sport.
